

## <HOW TO USE AREEBIX EASE EXPENSE>

We've designed this site to be as user-friendly as possible, ensuring that you can manage your tasks with ease. To help you get started, here are a few simple steps to follow:

- Start by entering the full amount you currently have. This will be your base to track all expenses.
- Begin adding your expenses one by one. Keep track of every penny you spend.
- Every transaction you make is saved in your history. If you make a mistake, you can easily review and correct it.
- If you find additional funds or remember more of your main balance, you can add them at any time.
- Once you've entered all your expenses, check your history for a complete overview of where your money went.
- When you're done, click on "Calculate Savings" to see how much you've saved.

*We've put a lot of thought into making Areebix Ease Expense as user-friendly and efficient as possible, so you can easily manage your finances with confidence. We hope you find the experience enjoyable and straightforward. Your feedback is always welcome as we continue to improve. Happy tracking, and here's to smarter saving!*
